South Bay Village — *It takes a Village to Age in Place*

As the population in Torrance ages, seniors ask the question, "How can I live in my home for as long as possible?" The South Bay Village (part of the National Village Program) will present resources seniors will need to age comfortably in their own home and continue to lead active lives — *a strategy of bringing services to people rather than moving people to services.*

This event is free & open to the public. Come early to meet your neighbors!
